Transcriber's Office

February 26, 1998 LR 324

and this is Bob Carlisle, he died on the 27th of January of this year. And to say that Bob Carlisle was an extraordinary individual, an extraordinary man, is to understate the case. He was desperately interested, vitally interested in aviation. He was a flyer from 1938 throughout the war as a PBY pilot, after the war as an experimental pilot, a man who built his own airplanes, who set speed records, who worked assiduously to interest the youth of northeast Nebraska in aviation. He worked to pass on his knowledge. He was the author of three books and he had two more books, one being a complete history of the PBY, which has not yet been published, may never be published now. He worked on one of the city boards, the Norfolk Airport Authority. And he was also working on the state hist...the Elkhorn Valley Historical Society. He was intimately bound up in the life of the community, in the business life of the community and the social life of the community. And the loss to northeast Nebraska, in general, and to Norfolk, Nebraska, in particular, is immense. And I bring this legislative resolution that the Legislature may know of this man and extend their sympathy to Laura Nell and the other members of his family. Thank you.

PRESIDENT ROBAK: Thank you, Senator. Senator Dierks.

SENATOR DIERKS: Thank you, Madam President and members of the Legislature. I, too, want to stand in recognition of Mr. Carlisle. I was privileged to know Mr. Carlisle a little bit. I, too, have known him as a pilot because I have a private pilot's license and he was involved with some of the testing that I did. He was truly a giant in the aviation industry in our neck of the woods. And I want to add my support to this resolution. Thank you.

PRESIDENT ROBAK: Thank you, Senator. Is there any further discussion? Seeing none, Senator Tyson, do you wish to close? Closing is waived. The question before the body is the adoption of legislative resolution 324. All those in favor vote aye; all those opposed vote nay. Please record.

CLERK: 25 ayes, 0 nays, Madam President, on adoption of LR 324.

PRESIDENT ROBAK: LR 324 passes. We turn to Select File and
